Single Family on 0.00 Acres

Cy Becker, Edmonton, AB

Cul-de-sac location backing natural privacy. Total Showhome Showstopper inside. Visit the REALTOR®'s website for more details. Four bedrooms upstairs plus a bonus room & upstairs laundry shows the sheer space in this Cy Becker 2-Storey that has great interior design on top of a mindful layout. Over 3,000 sq. ft. of living space featuring a bright 2-tone kitchen with granite countertops, stainless steel appliances, an open concept living room & office. The lower level has enough floor span for a pool table, a wet bar, bedroom, & full bathroom with high ceilings. The upgrades are abundant with custom lighting, electric fireplaces, & central air conditioning. Out back, the rear entertainment space in the south facing back yard offers privacy without rear neighbours as this property backs an urban forest & lake. If your family is ready to level up.. If five bedrooms gives you a spot for everyone & a place for everything.. if location matters to you.. Then this home might be your home.
